

HOUSE OF ONE

THREE RELIGIONS. ONE HOUSE.

Newsletter 02/2024

Dear friends of the House of One,

the world needs places of peace.

“The House of One is important because it brings people together,” says Christian Arbeit from 1. FC Union Berlin, a soccer club of the First German National Soccer League.

Christian Wulff, Germany’s former Federal President affirms: “It’s a great idea: a Christian church, a Jewish synagogue and an Islamic mosque in one place with a common meeting place to look for common ground and develop interest in each other. A great sign of cooperation in times of increasing confrontation.”

Along with many others they are promoting our matching donation campaign launched this December.

For every Euro or Dollar you donate, another one will be added. [Donate here...](#)

This is possible thanks to the generous support of the Erich Bethe Foundation and the HeLe Avus Foundation. Every donation will be matched up to a total of 100,000 Euro. This means that we can end up raising a total of 200,000 Euros for our interfaith peace work.

In times of shrinking public support, we are more dependent than ever on your support. Your donation brings people together. You make the interfaith work of our Jewish-Christian-Muslim teams possible in the first place – even long before our interfaith building, the House of One in Berlin, will be completed.

In 2024 alone, our education officers – Jewish Cantor Esther Hirsch, Imam Osman Örs and Christian Theologian Patricia Böckmann – reached over 3,000 people with their workshops and events focusing on “Religions jointly against anti-Semitism and anti-Muslim sentiment”.

We need you so that this important work can continue to grow in times of growing hostility against Jewish and Muslim sisters and brothers – simultaneously with the construction of the House of One.

We wish you a peaceful holiday season with your loved ones and a blessed Christmas to our Christian sisters and brothers!

May peace be with you!
