Newsletter 01/2025

Dear friends of the House of One,

We wish you all a healthy, peaceful and happy 2025!

Hopefully it has started as positively for you as it has for us at the House of One Foundation. Thanks to the support of so many of you, our fundraising campaign is already a great success. After just one and a half months, we have already received over 70,000 Euro in donations and are very close to our 100,000 Euro target.

As part of the current doubling campaign, this means that 140,000 Euro will flow into our interfaith peace work so far.

This is possible thanks to the Bethe Foundation and the HeLe Avus Foundation, which are adding to every euro donated one more - up to a total of 100,000 Euro. This campaign still runs until February 25. [Donate here...](#)

Please, help us and strengthen our work so that with your support and our work we can bring again many people of different religions together in 2025. You are also welcome to tell your friends about the fundraising campaign.

Thank you for being with us in 2024 and beyond!

May peace be with you!

Your House of One Team

Reminder: Concert today

Tonight there is a wonderful opportunity for everyone living in and around Berlin to combine a donation with the enjoyment of organ music. Marienorganist Xaver Schult will be playing works by J. S. Bach, F. Mendelssohn Bartholdy and others in St. Mary's Church on Alexanderplatz. The entrance fee of 15, reduced 10 euros goes entirely to the House - AND is doubled. After the concert you are invited to a small drink!

Many thanks to Xaver Schult and the parish of St. Marien-Friedrichswerder for this wonderful support!
