

# HOUSE OF ONE

THREE RELIGIONS. ONE HOUSE.

Newsletter 08/2023

## Dear friends of the House of One,

we need a new passion for peace. Not only on a large scale, but also in our daily togetherness. We need new ways towards a more peaceful coexistence in our society. And we need many people to do this, each and every one of them - no matter how small - and thus change the face of our world, our "one world house" (Martin Luther King).

With our new House of One Peace Award, we want to honor people who, through their actions, facilitate understanding between people of different religions and worldviews or make it possible in the first place. The prize will be awarded for the first time on Thursday, August 31 in Berlin (see below).

May peace be with you!

### House of One-Peace Award

For the first time we award the House of One Peace Prize. The laureate will be Bishop Malkhaz Songulashvili, Evangelical Baptist Church in Tbilisi/Georgia. In an admirable way, the clergyman is working for a peaceful coexistence of Christians, Muslims, Yazidis, Jews and others not only in Georgia, but in the entire Caucasus region. The laudation will be held by Christian Wulff, former German President and member of the Board of Trustees of the House of One.
